Hailing from Teaneck, NJ, The Isley Brothers are one of the most successful, revered and important bands in pop, rock & soul music. Their influence spans generations and genres, and leaves a litany of fellow musicians with the benchmark to follow.

First formed in the early '50s, over the course of nearly a half century of performing, the group's distinguished history spanned not only two generations of Isley siblings but also massive cultural shifts which heralded their music's transformation from gritty R&B to Motown soul to blistering funk.

Their breakthrough hit "Shout" in 1959 was but the first of many. Their Top 40 hits include "Twist and Shout" (1962, later covered by the Beatles), "This Old Heart of Mine" (1966), "It's Your Thing" (1969), "I Turned You On" (1969), "Love the One You're With" (1971), "Pop That Thang" (1972), "(Who's) That Lady" (1973), "Fight the Power" (1975), "For the Love of You" (1975), "Livin' the Life" (1977), and "Don't Say Goodnight (It's Time for Love)", (1980).

Between 1969 and 1988 they placed a staggering 50 singles on the R&B Chart, won a Grammy Award for Best R&B Vocal Performance with "It's Your Thing", and in 1964 they introduced the world to a young guitar player in their band named Jimi Hendrix.

Don't miss The Isley Brothers at the Count Basie Theatre on Thursday, 4/12 at 8 PM. Tickets are \$100, \$49.50, \$39.50, \$20 and may be purchased by calling the box office at 732-842-9000 or online at www.countbasietheatre.org
